“ *My aunt and uncle will be remembered by me through the times that my family came to visit them when they had their big Saint Bernard and Samoyed dogs. Uncle Stan would hook them to a sled and take us kids for a ride around the yard. My sympathy and thoughts go out to my cousins...love you all Brenda Huckabone Sudol*

*My grandparents were such amazing people, I remember going down there as a kid and they would always have grape juice at the house for us kids, we would get a cup of grape juice and vanilla ice cream and go sit on the porch and watch the thunder storms, everytime I drink grape juice now I think of my grandparents, we also visited them when I was much older and grandpa still wanted me to sit on his lap, grandma would always do her hair in pin curlers every night, grandpa did so many things for us kids, when he would mow the lawn us kids wanted to go too so he built a little area for me and my sister to sit in and would pull us around with the lawn mower. I'm gonna miss them so much 💔*
