“ I remember Aunt Stella from family reunions & get togethers, but
wasn't around her enough to really get close. I remember my daddy
(J.W. Doss)talking about her and how much he loved her. She was
loved by everyone and will be missed by all.
Love & Prayers for you all,

“ Dear Aunt Josie, Lisa, Darryl, Stephen and Stephanie:

We just want you to know how sorry we are for your mom, grandma and great grandma's passing. You know how much we love you and will be here for whatever you need. The days that follow you will be flooded with memories of times past, I hope that you will cherish each one. My most favorite memory Aunt Josie is when we had our rehearsal dinner at your house and your mom made all the desserts! That memory I will always have! Please accept our deepest sympathies and all of our love!
