“ *Uncle Steve will be missed He was a good man. I remember helping him take apart a 289 block for a 1966 Mustang that he was restoring. Unfortunately he didn't have a chance to finish it before moving to Arkansas. He also enjoyed building homes. In my life I can remember at least three that He had built here in California. I am glad that he was able to touch the lives of many. Rest in Peace Uncle Steve Allan and Kara Varney*

“ *Steve was a wonderful man who loved his family, his home and his animals. His favorites were model airplanes, his beer and McDonald's. Many people have shared with me how much he meant to them. Steve, you were well loved and will be greatly missed.*
