“ I met Steve in the first grade at St. Joseph School, we became best friends and went through school to the ninth grade. Steve was a very caring person and we drifted apart in high school because he went to springdale and I went to fayetteville. Most people don't remember but in the mid sixtys a bus traveled between fayetteville and springdale on the hour and that's how Steve and the other students from springdale got to and from school. Mr. Roderigue was a good man and had a tuff job raising raising three children. I'll miss Steve and will pray that Nancy and Shara have the Holy Spirit with them during this time of losing a loved one. May the peace of the Lord be with you. Richard Ferrell

“ I was so sad to hear about Steve Passing. I worked with Steve back when he worked at Shirley's. Steve had a great personality and was so much fun to be around. He wasn't just my co-worker, he was one of my best friends. The memories I have of Steve will always bring me joy and laughter. Even though I didn't see him after he moved to Siloam, he was always in my thoughts. My thoughts and prayers go out to the family.
