“ *It was always a pleasure to be with Steve, He was so funny some times and other time so very serious.  
He would often stop by our house and just sit on our front porch and talk. Whenever I would go check cows I would look for his truck in his driveway and if it was there I would head down to his house he would tell me everything he had to do that day.  
He was always working, We will miss him,, We already do,, We miss hearing his truck go by,, it was always loud,, But if he came in late at night he would go around the other way so that he didn't wake us up.  
We Love Steve,, He was really a Great Guy.  
Love you Steve,
