“ I don't know how I'm just now finding out about this... Steven, so so many memories. I will never ever ever ever forget you. I will never forget all of the wonderful times that we had together. All of the laughs that we shared. You were such an amazing soul, and I'm not sure I'll ever fully be able to wrap my head around this... You are so heavy on my mind today, and you will be always loved and missed. Love you brother.
