“ *She taught me who Audrey Hepburn was, Introduced me and was responsible for me falling in love with so many old movies, that was in 3rd grade... I have tons of memories of her but one of my faves is her always saying “Don’t mention it” in Japanese and my Dad (Pat) replying “I didn’t say anything about your mustache” hahaha it always made me laugh. She would of course smack him and they would carry on a bit after that... she very much had an impact on my life growing up.. “Zoo” (as my kids called her) Thank your for all the memories, love and sarcastic silly times we will never forget.*

“ Roxana, Chip and Family,  
I have so many wonderful memories of your mother and family. I can still hear her laugh in my memory, She was a real Christian lady and great Missionary wife. She set a good example for you all to follow. I pray her service goes well and wish I could be there. God bless you all. Take great comfort in remembering ..."to be absent from the body is to be present with the Lord" Great comfort for every Child of God.
