“ Susan presented me with a scholarship when I graduated in '87. We worked together at Wal-Mart and she commented that she could always recognize my laughter. Well, I'll always remember her smile! I'm sorry for your great loss and pray that you can find comfort. May God bless your family. I won't forget what the Fenno family done for me.

“ *John, Martha & family,
I remember Susan's grin, beautiful long hair and that spunky
attitude. She will certainly be missed by all who knew her. I'll be
keeping you all in my thoughts and prayers.*

“ *John,
Deepest sympathy, my thoughts and prayers are with you. I once
remember you saying that you did not have the elegant words to
say, so you wrote a limerick. Unfortunately, I lack the talent you
have in that area, so I can only offer these slim words and prayers.*

“ To the Fenno family:

I don't know if you remember me, but Susan and I dated a long time ago. I was always very fond, not only of her, but of the whole family.

You will always be special to me and my deepest sympathies go out to you all at this incredibly difficult time. I wish you peace and comfort, now and always. God bless you all.
