“ I substituted taught at Springdale HS for several years and Susan was a favorite of mine. I substituted for her many times and it was my privilege. Susan loved her students and wanted the best for them.
Her smile was infectious and even if she wasn't up to par on any given day she always had a smile.
She will be missed by many and my thoughts and prayers are with her family and many friends during this difficult time. She was a very special lady. Susan Alderson

“ Dear Family, You don't know me as I subbed frequently for Susan at SHS. We became friendly and had many fun talks!!

Your beloved Susan was always kind to everyone, used a lot of psychology with her students, and intelligently presented her material to the kids, which resulted in respect & love for her.

Susan's deep faith is a source of comfort now for me. She completed the journey and is resting in God's arms. My heart hurts for you; condolences to all her dear family. Prayers for you 🙏🙏 ☐☐

“ Susan always exuded such a sweet spirit and shared a smile daily. She taught two doors down from me at Springdale High and I enjoyed visiting with her. Her family was the joy of her heart and she loved to tell stories about her granddaughters and show a few pictures. It is unbelievable that she was taken from us so soon. Susan will be greatly missed and remembered with love always. The time and care provided to her students made the difference to many. She made the world a better place. I pray for each of her family members and know her sweet spirit will live with them forever.

“ Susan and I taught next door to one another from the first day she came to Springdale High School. We quickly became friends as we were both teaching geometry to our SPED students, we were close in age, we both had sons the same age and come to find out our youngest sons knew each other. We both had granddaughters we loved so much and had so many other things in common. We shared the joys and sorrows of life and supported one another during difficult times. She was a very dear friend to me and I am greatly saddened by her loss.

Michael, Scott, Matthew and Joanna, I am so very sorry for your great loss. She loved you all so very much. She was so very proud of all three of her children and her grandchildren. May her sweet spirit, radiant smile, the love she had for you and the loving memories you shared, sustain you during this very difficult time.
Much love, Pam Owen

“ Sue was one of the first people to befriend me when I first moved to Siloam. She had a heart of gold, was a blast to be around and her laughter was contagious. I regret that we lost touch for many years. Last time we ran into each other (of course where else but Walmart ...lol). we laughed and caught up in a short visit. Blessings and special thoughts and prayers for the family left behind ❤️
