“ *Teddi was a class ahead of me. We did a scene together in drama class called "Lover's Leap." It was well-received by the class. Whenever I open the Rolodex in my mind, that's where I find Teddi. She saw me in Siloam Springs and made a point to say hello. I am grateful for that moment.*

“ Gosh. This is terribly sad.

My most prevalent memory of Teddi is when we were in Drama class together in high school. We did a scene together called "Lover's Lane." Everyone loved it. It was the best one if I do say so myself. I had a lot of fun working on it with Teddi.

Teddi was a class ahead of me. She was always so real. She didn't have that mean, snarkiness about her that a lot of teenagers have. She carried herself differently. What a loss.

I'll see you again, Teddi.

“ Teddi was a wonderful and caring person who will be missed. I remember my time as a roommate with her and Donnie fondly. Watching the X-Men cartoon which she loved. Playijng rpgs where she played Flit and Ruby. Going to see movies. She was bright and cheerful and a pleasure to be around. My condolences to Donnie and her family, the world is a sadder place without her.
