“ Terry and I was always close growing up. And stayed close after we got older he was always there for me. We could laugh and talk for hours about our child hood. We always celebrated our birthdays together. I will miss my brother. RIP Terry his nickname was Tex.

“ Uncle Terry was one of my favorites. I am going to miss him dearly. So many memories of times spent at grandpa and grandma Bradley's when we would visit. Playing connect four, riding the horse, swimming. All of these memories included uncle Terry. He may be gone but he will live on in our hearts forever. Rest in Peace uncle Terry. ❤️
