“ I am so sorry for your loss of Terry. He was a good man, a very hard worker and a very strong person. I know he loved his family very much and I know they loved him too! He was very proud of his Grandkids and they had him wrapped around their pinky. He would work all day and get home and have to play with the kids, even if he was tired. We used to ask our Grandson where he lived and he would say 51st and Garnett. He didn't live there, that where his Papa worked. Rhonda, I know you feel so lost without him. And I have never lost my spouse. but he is in heaven and not in anymore pain. That is the way I had to look at it with my brother, Larry, that died of the same thing. I also know that he loved his Dad so much and it really has to be hard on him because no parent would want their child to died before them. My thoughts and prayers are with your whole family!
