“ I just want to say thank you to all my family and friends for being there for me during this difficult time in my life. I know in my heart that my mom is better off where she is now and that she is no longer in pain. I just wish that I could have spent more time with her before all of this. She will be greatly miss by all that came into her life. I am just great full that she was my mom and that she was in my life. She always knew how to make all my problems not seem as bad as I thought they were.

“ Zandra and family,

I am very sorry for your loss. Thelma had some difficult times in life. I was blessed to know her throughout our school years, graduating together. She always had a smile that was charming. A couple of years ago, I was privileged to be there for her when she hit rock bottom. In the midst of her difficulty she turned to the Lord for strength. I believe she never lost that faith. May she rest in peace. If you need me, don't hesitate to call.

*Sincerely,
Tim*

“ *Thelma, I've been looking for you for several years now. I remember when you & I lived right across the street from each other in Gentry. We would be outside all day long. Always busy doing something. Then you moved to Siloam Springs. We still stayed in touch. After we both graduated we lost touch. I've thought about you often but didn't know how to find you. Then the shock to see the newspaper & you had past away. You will be missed. Zandra if you read this feel free to contact me. Symathy goes out to all the family. Your in my prayers.*
