I had the pleasure of meeting Theresa in school. Theresa was a very caring and loving person. I know that it was a short time but she really made an impact on my life. My prayers and thoughts are with her family.

“ I sit here & think, watching the time go by. I look at your pictures wondering why you had to die? You were always there for me, you were my friend. I tried to be there for you, until the very end. It's time to let you go, to set your spirit free. You'll never truly be gone, your always a part of me. When I have to leave you at your final resting place, I will wipe the tears from my face. I know it won't be goodbye, so I won't cry anymore. We will meet again when I walk thru heavens door.
I love you Sarge....

“ *Theresa so so sad to see you go..one particular memory that remains with me was your determination and ambition to do well for yourself and never give up attitude. Often times words fail and reason fails us in trying to explain why things happen they way they do. I was honored to have met you and to have allowed me to instruct you as my student. Go well.*

I did not know Theresa long but long enough to know that she is a great person. Really gonna miss having you in class and taking those smoke breaks that we never should have. I'm sure you will be entertaining all of those in heaven, as you did those of us who knew you here!. Rest in peace Theresa. Prayers to your family...
