“ *Steve,
I am just seeing this about your Dad. I am so very sorry. I always enjoyed visiting with your folks at the bank, and then enjoyed visiting with him at Atwood's. I know he's had serious health issues the last few years, but we are never ready to give them up. My prayers are with you, friend, and with your Mom and your whole family.
Hugs,
Joyce*

“ I recall the times Theron worked for my dad at Curran Feed. He often brought you kids to play at our house while discussing business. It was always a fun night of new toys and adventure for you all and us too. He was a kind and loving man. You can be proud to call him dad! He will always may me think of his character as special!
