I've been trying to find Thomas Squire for 50 years! I could never find him online, after looking at our Army training book, I found out I just had to put the L in to find I'm too late. Tom and I were in the Army together and while we were in A Battery of the 6/16 Artillery at Fort Sill became best friends! We got separated in 1965, when Ft. Sill went on alert to send artillery units to Vietnam! I heard he was with a 175 SP unit up around the DMZ, while I was with a 105 unit, 20 miles northeast of Saigon at Phu Loi!

Tom was a beautiful soul, he would do anything to help someone in need. Everyone we served with thought the world of Tom, he was just that type of a person! I'm so sorry I'm too late, I needed to tell him what a great friend he was! I'm so sorry we lost contact!

I love you brother!
