“ *Dear Heidi and family,  
Our thoughts and prayers are with you at this time with the loss of Timmy. There has not been a day that has gone by that we have been thinking about all of you. Timmy was a fine young man and will always be remembered as such. It is good to know that families are together forever. Hold fast to that and you will be with him again some day. I know you will have another guardian angel always by your side.*

“ I was only Timmy's teacher for one semester of Economics, but he was the kind of student you wish you could have 20 or 25 of every class period. In 8 years as a teacher, I have never had a student say "Have a nice day" each and every time they left my room for the day. Sure, some students might say it randomly or when YOU initiate the pleasant exchange -- but not Timmy; he was ALWAYS the initiator. I never for an instant doubted that he truly hoped I had a great day as I told him the same before I made my way to lunch. Timmy never missed a day of school to my knowledge that wasn't school-related, so I heard his daily "good day" often -- a voice many others will most certainly miss hearing as well.

*That memory is the best, most enduring one I could recollect, and I'm sure all his teachers would tell you the same thing. That's the kind of human being this young man was, and his legacy will be an encouragement to others that will pass through the halls of Decatur for decades to follow, and it is that very thought that makes me rejoice -- and not only mourn -- Timmy's all-too-early departure from this World.*

*Prayers and thoughts to Timmy's family and all those who were lucky enough to know him.*

“ We only knew Timmy when he was just a little kid living in UT. He was a fun kid who always followed his big brothers around. We are sure that his great grandparents Clements are enjoying getting to know him as the fine young man he is. We extend our prayers to his family and friends who loved him and shared his life. God bless you all.

“ Timmy was one of the sweetest, most respectful students I have ever taught (as are all of your children). I'll always remember the apples he would bring me after lunch because he genuinely wanted me to have them and not because he was buttering me up for something. Also, I will never forget the immediate relief I felt when I saw him round the corner after my windshield had been broken. I knew for sure it was an accident and that I wasn't a target of any ill-will. I will hold your family and the Decatur community in my heart and prayers.

“ I did not get to meet Timothy until that fateful Saturday at the river - but it is clear what an outstanding young man he is by the outpouring of love from those that know him and how he has impacted the lives of those around him.  
My thoughts and prayers go out to the family that you will be able to feel an extra measure of our Heavenly Fathers love and find the peace that comes with it.

“ I am so very saddened by Timothy's sudden passing. He was such a sweet, kind person and an incredibly dedicated student. He never missed an opportunity to help out a fellow student or a teacher. I am glad I had the chance to know him and I will keep your family and Timothy's friends in my thoughts and prayers.

“ Timmy and I did an economics project together and he was a great friend of mine and we did a project on making a solar electromagnetic car and he believed that this could change the way cars are made in the future and after he got out of the military and through out college he wanted to meet back up with me to create this car and make this a reality. But now we cant do that, but i just want Timmy to know that i will try my best to make our dream a reality and try to make this car as I make my way through school both high school and college I will do it for you Timmy.

Timmy was a great friend and he will never be forgotten by me or anyone.

You will truly be missed Rest In Peace buddy.

“ Though I did not know Timothy personally, I've already heard many kind words from employees here at the College who knew or had met Timothy. He is described as having a kind and generous spirit. How very difficult it must be to lose a fine young man, a son, so early in his life. I too have a son and can only imagine how difficult your loss must be. The thoughts and prayers of all of us at NorthWest Arkansas Community College are with you at this difficult time. Please know that we care.

“ As the years pass, when I remember Timmy, I will be remembering a young man who possessed the characteristics of unselfish behavior toward others as exemplified by his reaching out to always offer a helping hand to those in need. An individual who showed maturity far beyond his years. He had already developed a plan for his life. He possessed a desire for adventure as shown by his enlistment in the navy. I will remember his smile and gentle ways. May God bless you and keep you as you deal with the loss of Timmy. He was an outstanding young man.
