“ *Tim, you are in my thoughts today. You were so kind to me and I will always remember you! It seems like yesterday when we all hung out in Pryor... late night volleyball, camping at the lake, Stretch's round floaty (I still laugh when I think about us trying to get back on that thing when we fell off). I can still hear that jukebox from Pat's playing in my head while we all laughed and ate and told stories... Some of my favorite memories were with that ole gang of ours. So thankful for those times!
Sending my love and prayers to your family*

“ *I am thankful for having had the chance to know Tim and through him I had the opportunity to meet and make some wonderful friendships. Tim and the rest of the old gang from Pryor made some wonderful and beautiful and fun memories that I will always hold dear. He made an indelible mark on many lives and will be greatly missed. I wish much peace for all his friends and family.*
