“ *To the family of Tina Burden my heart goes out to each of you! Tina was a great acquaintance to make. Each time she came to our clinic I looked forward to seeing her. She had a very strong will! I know you will miss her dearly especially with the Mother's Day holiday but I am sure you can have the comfort of knowing that on this Mother's Day she has reached her ultimate goal of being where she longed and lived to be! My prayers are with you during this difficult time, but be rest assured, as you know I'm sure, that one day we'll see her again.*
