“ Dear Larry and Pat,
I have not checked my email since we got to California and was so saddened to hear of your Mother's death. Wish we could have been there for the funeral. Death is always hard but especially during the holidays. You had many years with her and that is such a blessing. However, losing our last parent makes us orphans...no matter how old we are.
We just wanted you to know that our thoughts and prayers are with you.....Diana
