“ *Tony was, is, and always will be, my best friend. He's been there for me no matter what. I miss you Bear, more and more every day. My heart is broken still after all these months. There was never a day that he didn't make me laugh. The way he would call me by all my nicknames he gave me through the years are still clear as day to me. Not one person has called me "Waney, Lulu Belle, Waney Bug, or Turd" since him. It hurts knowing I won't hear his voice or see him again. It tears me up that he won't be at my high school graduation in May, or be at my 18th birthday in June, or call me on the night of prom, or see me start college. It hurts, but it helps knowing he is with me every step of the way even though he is no longer here. I love you, Turd. Forever&Always, your little turd. <3*
