“ Trenton was one on those guys that always took care of us in college. He was always the designated driver when we made our trips to Columbus, KS. I'm not going into detail on this one! Over the years the group has stayed in touch with each other and continued to get together for reunions. Our last one was in October 2020. Trenton called and wanted to get everyone together again. So we made it happen for him. It's been 42 years since I met Trenton at NEO, Miami, OK. Trenton was just one of those guys that always cared for people and would do anything in the world for you. Trenton and I have had some really close talks over the past few months concerning his illness. He would always say it meant alot to him that we have stayed bonded with each other as brothers since our graduation at NEO in 1980. I would definitely agree.

“ Trenton was a kind man. He loved his family so much. I had the privilege of reconnecting with him this past year after growing up together in Gentry and going to NEO. My prayer for his family is that your memories will help you get through this sad time. My sincerest condolences. May God’s loving peace be with you.
