“ Trevor and I dated for a couple years and during that time my Step-Daughter was in labor in Gravette he had not met her at that time, so he took me to the hospital, and told her if she needed a strong name for a boy Trevor was a good one, lol so she named him Trenton, he laughed and said she almost got it right, we remained friends and my heart breaks for his son Tony, his Twin Sally and the rest of the family. you all will be in my prayers and thoughts, may God comfort every one of you.

“ *My heart breaks for the family of Trevor. Hang on to the memories and talk about him often, it will help you through this hard time. Trevor and I had so much fun together talking, playing pool, listening to blues, dancing, relaxing in his pool, having a beer or home made wine. Man could he grill an awesome steak and chicken. He always treated me with respect and was a real gentleman. It is true, he never met a stranger and everyone always remembered him. May you rest in peace dear friend, I will miss you like crazy. Love to his family.*
