“ Trish... I don't even know where to begin. You were such a wonderful, beautiful, and loving person in this world. When I heard the news I didn't know what to think.. I still don't, it doesn't seem like it's real. From all of us growing up together to watching each other grow into adulthood and start our own lives and families, I never in a million years would have imagined that my next trip to visit would be one so heartbreaking. I love you so much and you will be missed forever! I know wherever any of us are you are watching over us, especially the kids ❤️
