“ Marie & family,
We were so sorry to hear of Troy's passing. May you find comfort in your memories as time passes. We were sorry we couldn't attend visitation or service, we have both been home with the flu, no one would want our germs. May God give you strength.

“ Marie I am so sorry for your lose. I know Troy had been sick for a long time, and after a while you don't know if your coming or going. I really enjoyed having you for a neighbor for so many years. Remember the time I told you to come for a ride with me on the bike and he told you not too? Guess we showed him didn't we???

I live in Sonora now. On 412 east of Springdale. Please feel free to call me or come see me any time. Come stay with me for a while after all is done. I would love to have you. If I can be of any help at all please feel free to call.

I have been so sick that all I do anymore is go to work and go home. This getting old stinks, but the alternative is not great either. So I will not be able to attend the funeral. But please know my heart and love is with you and your family.
