“ My mother was a kind and beautiful woman, mother, and grandmother. She had the warmest heart and would help anyone in need. If you visited her at her home she would invite you to stay a while and chat over coffee and give you a gift before you left. She loved being with her family and friends and making loving memories with us.
Mom had so much love to give and we are blessed to have had her in our lives.
Words cannot express how much we will miss you Mom.
You are forever in our hearts and thank you for the memories. I will hold them close to me.
I will be thinking of you every day. I love you so much. Love, your daughter Amanda

“ *Mother,*

You always told me that if you could pick a daughter out of a field of flowers that you would pick me every time.

If I could pick the most beautiful finest flower out of the finest garden Mother I would pick you every single time. I love you.
