“ *Mrs. Kenney was a kind hearted woman with a talent for education. She strived to help others through her selfless acts and words. Mrs. Kenney has always been supportive of me and my family. I will always remember how much she helped me in pursuit of higher education. She always made me feel so good about my accomplishments.*

May God be with you during this time of reflection and healing.

“ *I was Trudy's friend for 37 years, and I will miss her horribly. Trudy had a big personality, a great laugh, and a giving heart. No matter how much time elapsed between visits, we were always able to pick up right where we left off, and she never ended a phone conversation or a visit without saying, "I love you." I console myself by knowing that she and Bob are together again and by knowing that my life has been enriched immensely by knowing Trudy.*

“ Mike, Susan and Lisa - I am so sorry to hear of the passing of your mother. What a grand lady Trudy was. The years we worked together at the junior high remain very special to me. I can't help but smile to this day when I think of her contagious laugh. She was a truly caring person. Always know that she made a difference to all who were fortunate enough to be around her. Our thoughts and prayers are for you and the other family members and friends. God bless and comfort you during this time.

“ My condolences to the kids and grandkids, all of Trudy's family. I remember how vibrant she use to be, like the Tasmanian Devil, she whipped around her kitchen making me dizzy just watching. She will be missed.

“ I have such wonderful memories of working with Trudy. For several years we worked side by side, sharing our life stories and much laughter and some tears, also. Her laughter raised the spirits of all who heard it. She was a wonderful, faithful friend. She will be missed.
