“ I remember alot about Truitt, one of the best was drivers ed. Couch Wilkins trying to teach us farm kids how to drive. Well Truitt like most of us had been driving for years, took off down a drit rd. Going about 30 mph, with a girl named Jan in the car. We knew we were fine, but Jan thought we was going to wreck. She was screaming almost crying, coach said nothing, after it was all said and done, Truitt said. THATS HOW OUT RUN YOUR PARENTS...
