“ *Ty had a contagious vibe of joy in his heart and it was full of love from our Lord!! He never claimed to be perfect, perfection was impossible, but he would encourage others to strive to be the best they could be and would lead them to the Lord if it was God's plan! He loved Darla dearly and he told me several times throughout our years of knowing each other, that he was truly blessed to have her!! I Will miss his big heart and his big hugs and he would say, "I love ya sis"!, he was truly a man after God's own heart!!!*

“ *We are so saddened for your losses. We loved Your family even though we didn't see you much. Ty has been our financial planner since we retired and was so great at this. Wonderful Christian family. Our son was a good friend of his and they had worked making pizzas together years ago and also played some golf together then. We enjoyed our visits with him when we saw him for our finances. Always could reach him. Such a sweet godly family. We will continue to pray for Darla and all the family. May God keep His arms around all of you. Love Ken and Sherrie Funburg. 🙏❤️*
