“ Sept 30 1921-April 22 2012. It's amazing how important a small dash (-)is. It represents years of a loved ones life. In Ulas' lifetime the dash was huge. What a wonderful life he had, and so loved by all. He will be so missed. Mom, may God give you peace in knowing that you will meet your lifetime partner again.

“ Dear Hollaway family I am so very sorry for your loss. Ulas was one of the finest men I have ever met. I have known Ulas for many years and he always had that bright smile on his face. I remember when my son was small he would get so excited when we would get to go to Ulas and Saddies. We used to take them fresh produce from my parents garden. He will be missed by many! May God bless and comfort you all as you start this next chapter of your life. May you find strength from God and from your family and friend's.
