“ Our thoughts and prayers are with you all during this time. Growing up I always loved going to see Aunt Vicki and Uncle Orley. We will certainly miss our phone time with Grandma Aunt Vicki (as the girls would call her). The girls only met her once when she came out to Seattle to stay with us. We enjoyed talking to her as often as we could on the phone. She would talk to each of the girls and they loved talking to her. She'll be missed by all of us!

“ She touched my life with both many tears and smiles. She loved that popcorn and coffee at 0330 in the morning and just to talk.....

“ Sis was always sis in our family and still is. We loved her very much and were always close, and after her marriage, the whole family. After we retired we did some camping and traveling together in our recreation vehicles, that was fun. After she & Orley moved to Siloam Springs, we only visited them once and she came to Co. once, but always was in touch by telephone, almost every day. We will miss her lots, and know she is in her Eternal Home. Bob & Elsie

“ We are so sorry to hear about Mrs. Berry. Mr. and Mrs. Berry were our neighbors on Sunset Lane for several years and we enjoyed both of them very much. Wesley, our son, loved Mr. & Mrs. Berry. He would do little things for them occasionally and after Mr. Berry passed away, Mrs. Berry gave Wesley a recliner of Mr. Berry's. Wesley was so proud and still has it in his room.

*We are praying for each of you!!!*
