“ My first memory of Verna: Before she learned how to write, she sent me something she called "love letter." It was illustrations of things she wanted us to do together with hearts all over. It was the sweetest thing a little girl could ever do. I miss you, Bonang. You are always in my heart.

“ *Bernardita; I don't know you very well because you work 2nd and I work 3rd, but I see you often. The children are not supposed to go before the parents!!!! My heart goes out to you and if there is anything at all that I can do for you my phone number is listed above. The loss of a child can be devastating, but she'll always be remembered through photo-graphs and many happy memories.*
