“ Was sorry to hear that Irene has passed away. I know the grandchildren and grandgrands will miss her terribly. She loved her family! We are never ready to give up our parents. I enjoyed knowing and working with Irene for years. She overcame a lot of obstacles in her life.  
Love, Vivian

“ Aunt Irene was one of the kindest and sweetest people I've ever met. Heaven truly has another angel now. And she is there with Skipper and Arlene. I'm sure they are having a wonderful reunion. She will be missed.

“ My grandma was one of the most giving individuals I know. She thrived on helping others even in her own times of need. For those that knew her, know that she could always be counted on for help when needed. Her life revolved around taking care of my Dad (Skip) and when we lost him in 2001, we truly lost a huge part of her. I love you Grandma and I am a better person because you were in my life and I am truly blessed and honored to be your granddaughter. I will miss our talks about how you would take us grandkids to Dillons to buy push-up popsicles and crackers with cheese as we would make our way to the park by the old Medical Center. We would play and hang out in the gazebo for hours. You will be missed by those who knew you, because you truly touched those that you knew.

“ I just wanted to express my great sympathy to each of you. I pray that God give you all the strength you need at this time. Aunt Irene was a very special person that I will always hold dear to my heart. I will never forget what a special person she was. She always had a kind word to say. I never did hear Aunt Irene say a bad thing about anyone. Heaven truly has another angel now. May God bless you all.
