Vernon and his dad Charlie were examples of hard work and persistence. They were models for me and my peers as we becoming young men.

Vernon Reams was a great classmate of the Gentry High School graduating class of 1962. He was an awesome athlete; admired by many. Vernon was a beloved and wonderful family man placing nothing above his family time. Vernon worked consistently to become an accomplished business man while teaching his children; to be alike having the utmost integrity and steadfast work ethics. May God rest Vernon's soul and spirit. He will be missed. Amen
