“ *Vernona was truly a very special friend after we first met over 30 years ago and found out we shared the same birthday. Since that time, we have celebrated our birthdays each year by going out to eat (maybe not on the very exact day). One year she would pick the restaurant and the next year I would choose it. We had a lot of fun doing this and have some interesting stories to tell. Little did I know that last year would be the last one for us to celebrate together. It was very sad for me that we could not do it this year, but I know she is having a big celebration in heaven. Ed and family, I'm sorry for your loss and I will miss her greatly. My love, thoughts and prayers are with you. Pris, ,*
