“ I am so sorry for your loss, Vicki was such a sweet lady to work with at Dr. Petty's office. She made the landscaping so beautiful there and enjoyed it so much. She was so caring, funny and she loved to talk about her kids. She will be missed greatly. Her and Marshall are up there riding their motorcycles together again.

“ Vicki was a very special aunt to me. I've loved her since I first met her. Always so kind and caring and non judgemental. She and my late aunt Sharon were there for me in a bad time of my life, both were very supportive, praying for me. I will always cherish my memories of her. My heart grieves for her physical loss, yet my heart is joyful that I know I'll see her again one day. What a blessing she was!

“ I met Vicki for the first time within the last year at women's Bible study. I spent a little bit of time with her outside of Bible study while she was dealing with shoulder surgery. Yes, she is a patient woman with such a sweet spirit! She will be missed! It is a comfort to know that she knew the Lord and is now in His arms, a much better place than down here.
