*I am lighting a candle in honor of my Dad, who I love and miss dearly. Everything I accomplished in life was due to him. He was always there to help me and always had my back. I will always cherish all my wonderful memories of him growing up. The fun we had at the lake, at Dawn Hill, his famous Christmas parties. But I also love how he had such a generous heart and would help anyone. He was the best dad and he was my hero. Love you Dad!*

“ Virgil was a great friend to so many people in my circle of life. He had a genuine good heart.He applauded success in each and everyone whom he knew. He had a head for business and went to great lengths to support his employees. I know ; because I had that experience as his Eastern USA Regional Sales Manager for Citation Mfg. Co. He will be highly missed by all of those that knew his as I do.
