“ I first met Virginia when we both worked for Twiggs Grocery Store in Gentry. I always enjoyed our talks, she will be greatly missed

“ Virginia was one of those people who kept crossing your path no matter where you were. We spent many hours talking and did some sight seeing in Arkansas and Missouri in the last few years.

She called me almost every day, if I didn't hear from her I called her. She even called me when I was visiting in Colorado and Idaho.

To say that I miss her isn't enough. I am glad though that she isn't suffering like she has so much over the past several months.

I will be glad to be of any help that I can to any of her family.

“ *Ms. Virginia was a fine lady. She could always make me laugh and feel better about whatever situation I happened to be. She had a deep insight into the realities of life. I know Heaven will be richer with her presence at the foot of the Throne of Jesus.*

Regenia and I pray for His comfort for your family.

“ *Virginia's passing was such sad news, and I wanted to express my sympathy to the family. Your Grandmother Aurora Chesnut was my elementary teacher from 6th - 8th grade. Ray and Virginia were good friends from the early years on. I have lots of good memories from contacts made at school, church, and work. May God bless your family as you deal with this difficult time.*
