“ I have missed Pauline so very much since she moved to Texas. I'm sorry I was unable to visit with her after she moved. Bill & I got really well acquainted with Quinton & Pauline years ago and had such a very good time always when we were together. Enjoyed a lot of laughter! She was one of the sweetest, kindest ladies I have ever known and she is missed very much.

“ *I was so sorry to hear about Ms. Ghormley's death through her son's Facebook page. I was an eight grade graduate of Cleora Grade School in 1965. Quinton and Pauline were teacher's there, and Mr. Ghormley was the Principal. As an eight grade graduation trip the Ghormley's took us 8 students and son Steve on a trip to New Orleans, LA. by way of a train. We stayed in a hotel (not many of us had ever done that), went on a boat ride, ate at a high class restaurant, walked down Bourbon Street, and just was in awe of the city of New Orleans. (Of course, being in the 8th grade, I did not appreciate all of the responsibility that the Ghormley's took on just so that we could enjoy that trip) I am making a donation to our school library here at Cleora, OK in honor of Quinton and Pauline Ghormley. They would have been pleased when they bulldozed down the old houses that the family lived in when teaching there, and built a brand new state of the art grade school that they would have been proud of! Their legacy lives on through the lives of those that they touched when teaching at a small grade school in Oklahoma.*
