“ Sue, Walt was the sweetest man, friend to all. He amazed me how much he continued working, way after retirement. Just listening to his tribute confirmed to me what I already knew....how much he was loved. And, Sue, his love for you was the sweetest thing to see. What a beautiful and loving couple you were. You two had something many couples never have, and because of that, hold those precious memories close to your heart. You definitely will have an angel watching over you. Until you meet again...stay strong. God will hold you up whenever you need a boost.
Love you always,
Sandra
