“ I am so sorry to hear about Wanda. Wanda and I grew up about three houses down the road from each other. We had a lot of fun together. She was in my sister’s class at school.and from time to time there would be several girls and she was one of them, that would all get together and have some really fun times. It would usually be at our house. Back then there was no place in Decatur to go do anything, so we just had to have fun however we could. My family was not well off, and even though they were better off than us, it didn’t make any difference. Her family always treated us nice and made us feel just as good as anyone else. I loved Wanda and we always had good times together and her siblings were just good as could be. I haven’t seen Wanda in several years now, but have thought of Her many times. she was a very good piano player. We went to the same church together.She was a sweet, friendly person. To all the Family I send my deepest sympathy. God bless you all at this very sad time. Patty (Holt) Boyle
