“ Wendy was an amazing woman and will be greatly missed. She was the first person I ever babysat for and with that money I opened a savings account at age 12. I still have that savings account to this day. To say that she was a wonderful and loving mother is putting it mildly. Yet, I can't find the words to fully compare her love for her children and family. The life lessons she taught me I will forever remember. I love you Wendy and will see you again someday in heaven!!

“ We loved Wendy very much! She was always so uplifting and happy. I loved her sense of humor and it was a joy being around her. She made Bill and I laugh at her funny remarks and she could think of many of them. I am so sorry to hear of her passing. Even now I can see her in my living room when she came to Kansas to visit. She was laughing and talking, giving me some advice on my health issues. Wendy is in no more pain forever! May God be with her family and may they feel His presence to comfort them.

“ I never had the pleasure of meeting Wendy, but Vicki is a very dear friend, and I know she loved her sister very much. I feel like I know most of the family, at least in name, after nearly 10 years of friendship with Vicki. I love hearing the stories of growing up in the Fishback household and the memories you all must share. May these wonderful memories of your wife, mother, daughter and baby sister comfort you in your loss.
