“ Mom has such great memories of Junior and the rest of the gang walking to Flint to go to school. "Those were the days" and precious times that will always be part of our heritage and legacy.

Mom is so sorry that she will not be able to attend visitation or the graveside services. She is with me in Van Buren for a visit and there just is no way that we can make it to either service. Lorryne can be reached at 918-520-9542. She would really like to visit or chat with some of the family.

“ I want to say that I have known your daughter, Margie for 13 years and she is one of the best people I have ever met. You did a wonderful job in raising her, Wylie, and I am proud to be a friend of your family's. My mama had you in her healing prayers and hoped to help you in your transition. You are free my friend and soar with the eagles. I wish I could of known you more on this earth's plain but I know you are at peace now and hope we can meet again someday. Love, Lynn & family
