“ Somewhat belatedly, I send condolences to the family of William J. Bount. I have known Bill since West Philadelphia High and later Lincoln University. In that sense, our lives were parallel. Later I conferred with him on numerous occasions about employment discrimination and human resource issues.

His sense of humor, his love for his family, and his thoughtful, balanced way of approaching problems will always be a guiding light for me.

*Kindest Personal Regards,

“ My thoughts and prayers go out to all the family, and many, many friends that David had.....and he had many!!
I like to think that I was one of his best...we had a great time together, working, planning, and especially a lot of just talking....he is one of the most intelligent men I have ever met. He taught me a lot, and I miss him.
