“ My heart goes out to the family. This was a tragic thing for the family to go through. I met William (Bill) about 1 year ago. He was a very kind and caring person. My thoughts and prayers are with you all and his daughter.

“ I wanted to say to every family member of William's that I am very sorry for your loss. You have all been in my prayers since Friday. Our deepest sympathy goes out to each and every one of you. This was a tragic accident that I personally realize no one would ever want to have to experience. To all family and friends again you are all in our prayers.

“ Friday before (Bill) left the house, we had gone to the mall and bought new outfits for a night on the town. When we got home he told me that he felt good, that he hadn't done anything good for himself in a long time. He was a happy man and a kind person under his Macho ego. I'm glad I got the chance to meet Bill, and I hope to meet him again...
