“ *You were a delight to know and my heart warms each time I remember your efforts to be an older brother. The frisbe free-throw was so much fun, and the picnics and parks too.*

“ *Something I will always remember about Bill is that, he would always call me his "Adopted Son" You were a great mentor with my bowling but a better friend. Everytime that I drive back from work, there is an area that for some reason, it just makes me think about the times that we would spend together. I will always remember you, My Adopted Dad.*

Praying for Barb and asking God to take good care of her now. She is loved with an everlasting love.
