“ Wish we could be there for the services, but our Granddaughter and family will be here until noon Saturday. They live in Illinois, and we get to see them about twice a year. God be with each of you and give you strength to endure this time. It so hard to lose a parent, but Uncle Fred led a busy life with so many years. We are trying to get things together to see you in the next few days.....Love to each of you, Star and Joe....

“ Hazel, Ron, Charlene, Donna, may the Lord uphold all of you and your families during this time. We all know Uncle Fred trusted in the Lord and that he is in heaven, and we know we will see him again when it's our turn. We were lucky to have had him as one of our fun uncles, the world of cows horses chickens tractors was better than disneyland. He lived a very good long life and he will be missed.

“ To me my Uncle Fred was a gifted man with the ability to get anything done with a little thinkin. I don't think he ever gave up on a project. He was always kind and let us "kids" drive the tractor, play in the hay, ride his horses, cows, chase pigs. Doesn't sound like much to some but we were from the "city" and didn't get to do those kinds of things but once every other year or so. He was patient and it seems he would stay out with us as long as we wanted to "play".

To Hazel, Ron, Charlene and Donna I'm sorry. Wish I was there to get and give a hug. We come from a great family and I love you all. I can pretty much imagine Uncle Fred in heaven fixin somethin.

“ Donna....I just wanted to let you know that I am thinking of you and I am sorry for your loss. I have many memories of your Dad from my childhood. I used to love to go to his house...there was always something new to explore or a new place to play. He also always had a cold Dr.Pepper waiting for me. He will be missed by many. If you need anything, let me know. I love you all!

“ Hazel and family: Fred was such a great neighbor! I will never forget him always checking on my hay, and cattle for me. I will miss him riding down the road on his four wheeler, in his truck, or driving the bulldozer. May God comfort you during this difficult time.

Your neighbor,
Mark Hendren
