“ Which one of the dozens of memories can Wendell Morgan share of my Brother in law and Brother in Christ. My first and likely most lasting memory was when Gwen and I were married back in April of 1990 at William and Sharon's home in Siloam Springs on April 9th. William was a blessing then and he has been all these years. Gwen and my girls would want me again to thank William and God for assistance given in those difficult times when they were little. Stacy, Julie and Kathy will truly miss their Uncle Willie. Wendell will miss his encouraging words. Blessings to the family. Prayers and support. Wendell Morgan  
Brother in law  
Husband to his younger sister Gwen

“ *My cousin William, was such a sweet and loving person. I remember when I moved back there years ago I was going through a very rough time. He came over just to check on me to see if I was OK. He had such a beautiful heart. I will miss you cousin until I see you again on the other side ...rest in peace. Love, your cousin Belinda....*
