“ Our dad 'Dub' personified his generation's wisdom, authenticity, determination and bighearted devotion to family and friends. He was of a time when actions spoke louder than words, and a handshake agreement was as solid as a written contract. He lived by the code of truth, honor and unwavering integrity, and his patience and kindness knew no limits. His calm, gentle, and considerate demeanor will be greatly missed by everyone who was fortunate enough to have known him. We'll especially miss his love of pranking - everyone was fair game - and his unique story telling and yodeling.

“ I knew Dub from work, met him in 1990. He was my mentor and helped me get started in the commercial flooring trade. Not only was he a good example of an employee, hard worker, was present while at work, but he was a great example of a man and human being. So many more adjectives can describe him and I will be forever grateful for the time I got to know him.
