“ *My mom was and always will be a loving big hearted person. She would have helped any one and everyone even if it was her last dollar. My mom is now a beautiful angel watching over us from heaven. I want to thank everyone for the kind words and stories. It means alot to look at this page and see this. I love and miss my mother everyday. She is always in my heart and in my thoughts. Love ya mom.*

“ *This lady was a wonderful patient. I took care of many times. She never complained only asked for coffee. I stopped by her home and visited last fall and so glad that I did. Both of my girls knew her and loved her.*
